Mattresses

Drive 6500 Dynamic Elite

Supplier price	Amazon	Wal-Mart
\$713.40	\$285.85	\$401.16

Features:

- Full length and width, gel infused, memory foam top layer dissipates heat from the body keeping the skin cool and dry
- 4 layers of therapeutic foam provide superior pressure redistribution with less cradling and additional support at higher levels of compression
- Defined heel section composed of patented Lura Quilt foam at a 25 degree slope redistributes pressure away to the entire leg and away from the heels
- Premium stretch cover is fluid and tear resistant, low shear and easy to clean
- Latex free
- www.drivemedical.com

Invacare Glissando

Supplier Price	Amazon	Wal-Mart
\$720	\$553.67	\$512.14

Features:

- Castellation-cut foam redistributes pressure for user comfort
- Fluid-resistant cover features a concealed zipper to help prevent contamination of foam
- Foam sections move independently
- Patented gliding layer designed to help reduce shear and friction
- www.invacare.com

Invacare Softform Premier

Supplier Price	Amazon	Wal-Mart
\$420	Starting at \$325.11	Not Available

Features:

- Unique contoured foam insert designed to provide excellent comfort and optimize pressure reduction for users up for very high risk.
- Single piece foam is designed to provide side support and help facilitate transfers.
- High-resiliency foam contours body for exceptional fit and comfort
- Unique castellated cells maximize body contact for optimal pressure reduction
- High-frequency welded seams and full flap on cover hide zipper and add durability
- Removable cover allows for easy replacement, laundering and foam inspection
- Premium fluid-resistant, four-way stretch cover helps protect skin integrity
- www.invacare.com

Span America Geo Mattress Ultramax

Supplier Price	Amazon	Wal-Mart
\$1815	\$524.65	\$765.00

Features:

- 2" deep topper reduces shear to underlying tissues
- More than 800 individually-articulating cells
- Redistributes pressure, reduces heat and skin moisture buildup
- Heel Slope designed to further reduce heel pressure
- Provides an additional measure of shearing protection in the form of the silicone-coated, shear minimizing fabric bands located on the underside of its bi-directional stretch cover.
- www.spanamerica.com

Drive Med Aire Plus

Supplier Price	Amazon	Wal-Mart
\$699	Starting at \$804.59	\$1,277.83

Features:

- Combination therapy system that provides both alternating pressure and low air loss to optimize pressure redistribution and manage skin maceration
- Designed to prevent, treat and manage pressure ulcers in the home, long term care, or acute care setting
- Cell-on-cell design of 8" deep air cells prevents "bottoming out" and also provides up to 24 hours of power outage protection
- Digital control unit allows for customization to individual patients' comfort and safety needs
- Deluxe 4-way stretch cover is low shear, fluid-resistant, vapor permeable, quilted and zippered
- Pillow function maintains the 3 air cells at the head of the bed in static mode for patient comfort
- 3 diagnostic alarms alert for issues with air pressure, the control unit, or power
- CPR valve allows for rapid deflation
- www.drivemedical.com

Invacare APM MA55

Supplier Price	<u>Amazon</u>	<u>Wal-Mart</u>
\$1250	\$1,199.00	\$1,499.00

Features:

- Low air loss system improves circulation and cools body temperature.
- Mattress features a state-of-the-art compressor and quick connect coupler for easy setup and effective therapy cycles. The solenoid valve system allows the mattress to remain inflated during a power outage.
- Adjust pressure by 25%, 50% or 75% for customized comfort
- Lockout button prevents against tampering or accidental adjustments
- Manual fowler button prevents bottoming out
- Roll up mattress and use carrying strap for convenient carrying and storage
- Dual-layered, quilted nylon cover helps reduce friction and shear
- www.invacare.com

Invacare APM MA65

Supplier Price	Amazon	Wal-Mart
\$2499	Not available	\$1,995.00

Features:

- Energy-saving 50 LPM compressor offers four treatment cycles and pressure monitoring.
- The microAIR mattress alternates in 5, 10, 15 or 20 minute cycles. Air pressure is constantly monitored to maintain proper pressure redistribution based on the weight of the user.
- Visual and audio alarms warn during low pressure or power outage
- Mattress remains inflated during power outage when hose is connected
- Rolls up and features an attached carry strap for easy transport and storage
- 10 Nylon, buckled straps firmly secure the mattress to the bed
- Wireless auto-fowler prevents user from bottoming out when bed back is raised
- www.invacare.com

Span America Custom Care Convertible

Supplier Price	Amazon	Wal-Mart
\$2715	\$1,483.37	\$1527.87

- Features:
- Individual foam cells accommodate bony prominences
- Head-to-foot cylinders for better pressure reduction
- Heel Slope transfers some load to more shear tolerant calves
- Weight Limit: 500 lbs (non-powered mode), up to 350 lbs (powered modes)
- Warranty: Mattress -5 years, non-prorated. Control Unit - 2 years, non-prorated
- Mattress height: 7"
- Mattress weight: Approximately 24 lbs, non-including control unit
- www.spanamerica.com

Molift Smart 150

Supplier Price	Amazon	Wal-Mart
Not Available	\$3955.50	Not Available

Features:

- Standard 4-point suspension ensures comfortable and more spacious hoisting position for the user
- Designed for homecare and travelling.
- Weight Capacity: 330 lb
- Light, foldable and transportable without tools
- Designed to be easily wheeled and transported
- Due to its low weight, the small footprint and the unique construction, it is easy to maneuver even in narrow spaces.
- Hoisting range of 27 – 168 cm (10.6” – 66.1”) provides an excellent maximum hoisting height and at the same time gets very low, facilitating hoisting from the floor. Standard 4-point sling suspension ensures a comfortable and spacious hoisting position for the user.
- www.etac.com

Maxi Lite 350 lbs

Supplier Price	Amazon	Wal-Mart
Not available	Not Available	Not available

Features:

- Weight Capacity: 350 lbs
- Has an integrated charger allowing for easy charging.
- Slings are easy to apply from the seated or supine position with the split leg design. They are safe and secure due to the no swing and sway design utilizing short clips instead of long straps.
- Slings are extremely comfortable with the padded leg sling design. This, together with the reclining action of the unique frame, creates a feeling of complete security.
- The powered remote handset operation allows the operator to stay close to the resident at all times
- Collapsible, which means easier portability and less storage space. At its narrowest, the *Maxi Lite* passes through a standard doorway. At its widest, it fits around an armchair or wheelchair.
- <http://www.arjohuntleigh.com>

Guldmann Sampson Power Patient Lift

Supplier Price	Amazon	Wal-Mart
Not Available	Not Available	Not Available
